

Dear Families,

Welcome to Long Island Voyager's Day Camp. We are looking forward to another exciting summer! We are a travel camp servicing Nassau and Western Suffolk for over 25 years. We are permitted through Nassau County Board of Health, inspected twice yearly and follow all regulations and guidelines set forth for a safe environment for your children. L.I. Voyager's Day Camp follows all required written plans for camp safety, health and fire safety. In case of an emergency, we will inform you and Nassau County Health Department if your child is involved in any serious injury, illness or abuse incident. We background check and confirm qualifications of all staff and train them for expected duties. We offer door-to-door transportation on mini vans with air-conditioning from Educational Bus Company.

Long Island Voyager's Day Camp is unique in that it offers your child a full range of specialties as well as a fun-filled day of recreation. We are a co-ed camp that accommodates a range of children from those turning 4 years of age before upcoming summer, to those 14 years old.

We offer swimming, sports, arts and crafts, amazing trips, ballgames and beaches. At Wantagh Pools, we swim in the best pools and we offer swim instruction, with Lifeguards and our WSI on site at all times. Our campers get to enjoy one of the best pools and park on Long Island. At 111 acres, the park provides various recreational activities along a picturesque waterfront location. The large swimming complex offers a variety of different pools including diving boards, water slide and spray park. At Long Island Voyager's Day Camp we enjoy an 18-hole miniature golf course, softball and baseball fields, basketball court, tennis courts, and an exciting playground to allow our campers to freely be around one another in a safe environment.

Our goal is to assist in the development of the whole child-educationally, athletically, artistically, and socially. Days are full of excitement, socialization, coupled with education and life-long experiences. We teach self-respect, courage and responsibility, and our caring staff builds upon childhood to adulthood. This is a summer alternative that surpasses childcare, one that captures our campers'

special talents and helps them identify their goals and dreams. We offer a wide range of educational activities, as well as sports and swimming.

It is with enormous sense of pride that we dedicate ourselves during the summers to provide your children with the most exciting, action-packed, safest summer experience available. All our campers enjoy our amazing activities: Adventureland, Tiki Adventure, Roller Skating, Children's Museum, Lazer Bounce, Fire Island, LICM, Long Island Game Farm and so much more! Our sports program consist of softball, baseball, basketball, volleyball, football, kickball, soccer and GaGa. We also have many exciting activities that include talent show, Smore's Day, Summerween, water balloon war, color war, Italian Ice Fest, Sundae Fundae, Country Line Dancing, Crazy Hair, Luau, Arts & Crafts and so much more!

It doesn't cease to amaze us how quickly our campers adjust and immediately become part of our Long Island Voyager's family. The camps philosophy is based on the desire to grow and build your child intellectually, physically, and spiritually in a fun environment, but more than that, you want to feel secure that your child's in a safe and caring environment. Safety is very important to us, and the parents we serve. Our camp provides low counselor-to-child ratio, and buses are insured and inspected on a regular basis. All campers are placed into groups and follow a buddy system and safety swim plan. Our camp provides a Director on site at all times, licensed and experienced coaching at the varsity level, Health Director, and two Red Cross lifeguards on duty at all times. We are also required to be licensed by the Nassau County Department of Health Services and to be inspected twice yearly.

Long Island Voyager's Day camp offers door-to-door transportation throughout Nassau and Suffolk Counties. Our highly skilled instructors (experienced high school coaches) and staff will help children focus and excel in their chosen sports. Our focus is for your child to learn new skills, develop more self-confidence, improving proficiency in certain areas and become more independent.

As always, we consider it a privilege that you entrust Long Island Voyager's with your most precious possession, your child. You have our sincere promise that we will provide your child with the safest, happiest, experience in the camping industry.

Please feel free to ask about our accommodations for early pick up and late drop off or any other questions you may have at 516-238-4586. You can also visit our website at livoyagersdaycamp.com, like us on facebook and follow us on Instagram.

Happy Camping,

Long Island Voyager's Day Camp
